The Texas Lone Star List is a recommended reading list developed by public and school librarians from the Young Adult Round Table. The purpose of the list is to encourage students in grades 6, 7, or 8 to explore a variety of current books. The Lone Star list is intended for recreational reading, not to support a specific curriculum. Due to the diversity of this age range, Texas librarians should purchase titles on this list according to their individual collection policies.

@yartxla

Follow YART to receive updates about the Lone Star list.

Thank you to **Mackin Educational Resources** for providing a complete set of 2013 Texas Lone Star titles for one Texas librarian at the TLA Annual Conference!
